All music either live or recorded supplied by the customer must comply with noise limit restrictions. A noise limiter is installed in the Cote as part of our licence conditions this must be on at all times. All doors to the building must remain closed at all times to ensure any external noise is kept to a minimum.

If you would like to bring a live band or DJ into the venue this must be approved before the booking by us. You and/or anyone you bring in to provide music will need to adhere to any management request at the event in terms of sound levels, music suitability etc.

Should you wish your function to have a finish time beyond this we can apply for an extended licence from the local authority.

There is a limited number of these we can apply for each year so it may not always be possible.
